Black Pepper

Black Pepper is the dried mature berry of Piper nigrum, a climbing, perennial shrub mostly found in hot, moist region of Southern India. Under cultivation pepper vines are trailed over support as columns, 5-6 mtr tall, 1-2 meter diameter.

We Examine and procure Pepper based on the below Parameters:
• Parameter • Physical Statues • Moisture • ASTA Piperine • Yield (%) Bulk Density And As per the Certifications Specified by Our Clients.

We are here to export Black Pepper across the world in a competitive price according to a customers need.

We are pleased to inform you that Tuba Exim is certified by government of India according to the following standards and permitted to export our quality products globally. So do not Wait more to order us, We ensure you that after use our quality spices and essential oils, you will became our life long customers.
